

Helping You to Make Your Work Environment **SAFER**

Thank you to all of our customers
in this time of crisis

To all of our customers helping in the fight against COVID-19, whether through patient care, diagnostic testing, scientific research, volunteering or simply by acting responsibly and observing the guidance on social distancing – we salute you!

As the Government releases more guidelines on how employers and their employees should prepare for the return to work, we appreciate there will be increased apprehension about the health and well-being of staff due to the COVID-19 pandemic. **Now is the time to plan for the return of employees to ensure their ongoing safety in their working environment.**

Driven by scientific advice and our extensive experiences of working closely with customers working with COVID-19, we have developed a comprehensive range of products critical to ensuring the health and safety of employees as they return to the workplace.
