

STOP THE SPREAD!

Covid-19/Coronavirus Signage

Public Health England guidelines state that we must maintain a 2 metre distance from any other individual. As the current lockdown is relaxed and we start returning to work these measures will still have to be enforced within the workplace. Help protect your staff and co-workers with our updated range of Coronavirus signage.

We can offer a full range of specialists products including multi-lingual and large format signs. Please contact our sales office for further information.
